

English

This term, we will continue to cover a variety of text types. We are using our topic 'Where in the World is India?' to look at stories from other cultures. Within our writing, we will be applying our knowledge from across the year to complete a sequel to a traditional tale. We will also be writing a poem using descriptive language and a recount about our much anticipated trip to Cotswold Wildlife Park. In preparation for Year 3, we will be revising grammar, punctuation and spelling patterns.

Science

Our science work this term is about habitats across the world. We will be comparing the arctic, rainforest, desert, and ocean habitat by understanding the similarities and differences. We will be describing how animals adapt to survive in the wild and explaining why animals in a habitat need plants. We will also be learning about different sources of food and drawing simple food chains.

Geography

In Geography, we will be locating and finding out new facts about India by using an atlas. We will be then be comparing India to the UK, looking at the geographical features, the weather, national parks and the culture. This will help us to compare our lives to the lives of others.

Maths

In term 6, will be continuing to learn our 2, 3, 5 and 10 times tables through Times Table Rockstars. We will also be focusing on fluency in counting and recognising coins, using the symbols £ and p accurately. We will find different combinations of coins that equal the same value, and calculate change. We will continue to reinforce the concept of fractions as numbers. In preparation for Year 3, we will learn to recognise 3-digit numbers, counting past 100..

Computing

Through creating simple quizzes, we will learn how to organise and create questions to present ideas. We will also be recapping previous skills in computing using Purple Mash, including making music and coding.

P.S.H.E.

This term, we will be thinking about how our bodies change. This will help us to understand how to deal with those changes as we grow up.

Year 2: Class 5 & 6

Miss Carter, Mrs Pearce & Mrs Abson

Term 6

Where in the World is India?

Music

During this term, we will be exploring the question, 'How Does Music Teach Us About Looking After Our Planet?' Singing and listening are at the heart of each lesson. We will play glockenspiels, improvise and compose using a selection of notes.

P.E.

We will be preparing for our year group sports day and then having the opportunity to learn some new cricket and golf skills with Mr Barnett.

R.E.

Our investigation in R.E this term is 'Does completing Hajj make a person a better Muslim?' We will be learning about Hajj and apply it to what we already know about the religion of Islam.

D.T.

This term we will be making fruit samosas. We will learn where different food comes from, different cutting techniques and then plan, design, and evaluate a fruit samosa. We will hopefully be able to taste test it too!

Key Information

Welcome back to RLK for our last term in Year 2. This is going to be a very busy term with lots of exciting events and activities so please remember to check ParentMail or the website for key dates. Once again, if you have any queries, please feel free to come and talk to us at the start or end of the day or via the office.

Miss Carter, Mrs Pearce and Mrs Abson
