

Year 6

Term 6 Newsletter

Term 6 is upon us and, somehow, we are nearing the end of the year and the culmination of Year 6's Primary School journey.

The last few terms have been very busy. After the Easter holidays Year 6 worked incredibly hard in the build-up to SATs and their resilience and attitude towards the SATs exams themselves were excellent. Soon after, we have had to focus on our writing in preparation for teacher writing assessments. Again, we have been hugely impressed by all of our pupils' determination and work ethic: they really are applying all of the skills they have learnt in their work.

Term 6 will allow us to revert to a greater focus on the wider curriculum, as well as beginning to think about transition to secondary school in September.

We will also be practising in preparation for our school play.
